Apple Leather Care

Apple Rain and Stain Repellent

Garde Rain & Stain Repellent

Protects all smooth leathers, Suede and Nubuck leathers, and fabrics, against stains such as body oil, grease or perspiration.

For new items, this product acts as a barrier against future stains and damage.

Special wax-free, silicon-free, formulation allows leathers to breathe.

Dries quickly - will not leave residue or change the color or texture.

Excellent for all smooth leathers, including exotic leather skins.

Safe on all colors, including delicate pastels and whites. It will not pull or darken colors.

Contains 5.5 oz.

This item is available for ground shipments only. This is not available for UPS or FED EX next day air or 2nd day air shipments, shipment to Alaska, Hawaii, or international destinations outside the continental US.

Due to this being an aerosol, it must be shipped Parcel Post. The post office says that the delivery time is 10-14 business days, but we are finding that in some cases, it is taking longer. Please keep in mind that the postal service does not consider Saturday and Sunday as business days. Your patience is greatly appreciated.
